- A translation of Rencontre avec Denis by MiaQc

My name is Lena. I was born in the Guardian World, a world of magicians and summoners. While visiting a dark and strange world, different from the human world, I meet a beautiful man named Denis. Denis wants to protect me, but I don't know from what. Wanting to have a good time with him, I suggest going to a restaurant. He reluctantly agrees and we go to a restaurant. As the money I have is unknown to this world's inhabitants, Denis paid for the meal. Denis is not very talkative, but we talked while we were eating. I had a nice time with him, and I hope to see him again. Under his surprised look, I disappear to return to the Guardian World.
